Product Name:

Seal, extruded shape-unfilled bulb type, main gear doors

Special Features:

Seal is 0.612 inch high, 1.345 inch wide, and 121.75 inched long

Material:

Rubber chloroprene class cr

Material Specification:

Ams 3208, durometer min 45 maximum 55 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
