End Application:

Cv (n) 65 hinged ballistic doors-mech operated-for steering gear rm-apr

Product Name:

Packing gland

Material:

Copper alloy

Material Specification:

Mil-n-994 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0

Mil-std (military Standard):

Mil-n-994 spec.
