End Application:

Gtcp100-82 apu; pneumatic shaft

Product Name:

Gasket probe

Environmental Attribute Code:

Asbestos alternative products

Special Features:

Material black gold 978

Material:

Rubber butadiene-acrylonitrile class nbr

Material Specification:

Sae-ams3275 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
