**End Application:**

Sub atmosphere control parts list 14006n18

**Product Name:**

Gasket, accel pad cover

**Material:**

Rubber polyisoprene synthetic class ir

**Material Specification:**

Stm d1330, cl 2 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A032a0
