Smallest End Width:

3.200 millimeters

Fabrication Method:

Solid

Hole Diameter:

10.000 millimeters

Overall Length:

130.900 millimeters

Overall Height:

3.200 millimeters

Bolt Hole Quantity:

4

End Application:

2320-01-318-9902 het (heavy equipment transporter)

Color:

Black

Material:

Rubber neoprene separator

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A032a0
