End Application:

Tarawa class lha; 2in class 600 aeroflow with 6in & 4in ansi b16.5 weld neck flange 6in double acting spring return piston actuator

Product Name:

Packing follower

Material:

Stainless steel

Material Specification:

Aiai or astm a582 type 303 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
