End Application:

Swing, check valve

Product Name:

Gasket, bonnet

Material:

Rubber butadiene-styrene class sbr

Material Specification:

Mil-prf-1149d, type1, class2 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0

Mil-std (military Standard):

Mil-prf-1149d spec.
