**Center Hole Diameter:**

2.781 inches

**End Application:**

Centrifugal pump, cvn class ship

**Product Name:**

Bushing, sleeve

**Special Features:**

Split gland with 2 bolt hole flange; 6.50 x 1.62

**Material:**

Copper alloy 903

**Material Specification:**

Qq-c-390 copper alloy 903 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A032a0
