**Cross Sectional Shape:**

Rectangular

**Overall Length:**

17.000 inches

**Cross-sectional Height:**

0.450 inches

**Cross-sectional Width:**

0.250 inches

**End Application:**

Cass eots offload

**Construction:**

One-piece

**Special Features:**

Trim ends to fit flush at assembly

**Material:**

Rubber silicone class q

**Material Specification:**

(16331)973004001-10 mfr ref single material response

**Style Designator:**

Strip

**Fsc Application Data:**

Adapter, hose, cooling ai (76301) 63e919315g1

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A032a0
