End Application:

AIRC-RA-FTL-ANDI

Special Features:

Part name assigned by manufacturer: glide ring, ram, second stage

Material:

Plastic polytetrafluoroethylene and copper alloy

Reference Data And Literature:

19494)parts list si4394001-101, item 27

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A08400
