End Application:

F/a-22 raptor

Product Name:

Seal, r upr long

Special Features:

42.961 length x 3.528 width x .125 thickness

Material:

Titanium alloy

Material Specification:

Ams-t-9046 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
