Center Hole Diameter:

15.000 inches

End Application:

Rod assembly conn; steering operating gear; los angeles class ss (688)

Product Name:

Gland packing

Material:

Aluminum alloy

Material Specification:

C63200; aluminum bronze assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
