End Application:

Drum assembly, wi; los angles class ssn (688)

Construction:

One-piece

Product Name:

Retainer gasket torpedo tube muzzle door

Special Features:

Cicular; 36 equal spaced bolt holes

Material:

Nickel alloy

Material Specification:

Astm-b443 conditon-hr; gr-1; descaled assn standard 3rd material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
