Nonmetallic Strip Seal - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5330-01-494-0162

Cross Sectional Shape:
Rectangular
Overall Length:
Between 13.230 inches and 13.290 inches
Cross-sectional Height:
Between 0.699 inches and 0.781 inches
Cross-sectional Width:
0.380 inches
Construction:
One-piece
Product Name:
Gasket
Special Features:
4).38inch diameter bolt holes
Material:
Rubber silicone class q
Material Specification:
Zz-r-765, cl2b, gr25, gray federal specification single material response
Style Designator:
Strip
Fsc Application Data:
Access panel 6129198-2
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A032a0
