**End Application:**

C-17

**Special Features:**

Seal made from the following parts -5 core silicone elastomert boeing specification dms 2221 type 1 grade 50, -7 cover cloth polyester, knitted mesh boeing specification dms 2356 type 2, cl 3, -9 liner cloth, polyester, knitted mesk, boeing specification dms 2356, type 1, cl 2

**Material:**

Rubber synthetic sealing element

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A032a0
