End Application:

C-17

Special Features:

Seal made from the following parts -5 core silicone elastomert boeing specification dms 2221 type 1 grade 50, -7 cover cloth polyester, knitted mesh boeing specification dms 2356 type 2, cl 3, -9 liner cloth, polyester, knitted mesk, boeing specification dms 2356, type 1, cl 2

Material:

Rubber synthetic sealing element

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
