**Min. Tensile Strength (psi):**

1100 pounds per square inch

**Width:**

1.000 inches

**Thickness:**

0.062 inches

**Length:**

100.000 feet

**Binder Material:**

Plastic, acrylic

**End Application:**

4940-01-445-0086; shop equipment electrical equipment

**Special Features:**

Color tan/black; acrylic adhesive-backed natural cork/neoprene rubber strip

**Material:**

Cork and rubber, chloroprene

**Material:**

Cork and rubber chloroprene class cr

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A26800
