Min. Tensile Strength (psi):

1100 pounds per square inch

Width:

1.000 inches

Thickness:

0.062 inches

Length:

100.000 feet

Binder Material:

Plastic, acrylic

End Application:

4940-01-445-0086; shop equipment electrical equipment

Special Features:

Color tan/black; acrylic adhesive-backed natural cork/neoprene rubber strip

Material:

Cork and rubber, chloroprene

Material:

Cork and rubber chloroprene class cr

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A26800
