**Product Name:**

Seal assembly, slave piston

**Special Features:**

Wassembly consists of 1 scraper part no. 9436137-01 and 1 energizer 9436137-03; scraper material polyetheretherketone filled with 20 pct. Polytetrafluoroethylene and 2 pct. Carbon per msd 1074; energizer material nitrile mil-p-83461

**Material:**

Plastic polytetrafluoroethylene packing

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A032a0
