End Application:

1 1/2 & 2 in 81m check valve union ends per mil-f-1183

Product Name:

O-ring, retainer

Special Features:

2in union

Material:

Copper alloy

Material Specification:

Astm b61 or qq-c390 alloy d4 or d5; bronze assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
