**End Application:**

Seasprite helicopter

**Special Features:**

Stock size 0.032 x 1.42 x 14.75 inches

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a362 cond o federal specification single material response

**Fsc Application Data:**

Nhak631132 support instl an/apn-130 antenna sta 256.00-sta 285.00

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A032a0
