End Application:

Seasprite helicopter

Special Features:

Stock size 0.032 x 1.42 x 14.75 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a362 cond o federal specification single material response

Fsc Application Data:

Nhak631132 support instl an/apn-130 antenna sta 256.00-sta 285.00

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
