End Application:

4in 3-way valve assembly temp controlled (tri-tec actuator)

Product Name:

By-pass seat ring

Material:

Steel comp 304

Material Specification:

Qq-s-763 cond a, 304 s/s federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
