**End Application:**

C-5 aircraft

**Construction:**

One-piece

**Special Features:**

5.25 diameter to fit 5.50 duct support

**Material:**

Plastic polytetrafluoroethylene

**Material Specification:**

Ams 3651 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A032a0
