Cross Sectional Shape:

D

Cross-sectional Height:

0.275 inches

Cross-sectional Width:

0.275 inches

End Application:

2350-01-328-5964 m1 abrams tank

Construction:

Laminated

Product Name:

Rod t-seal

Special Features:

Outer diameter is 2.250 inch and inned diameter is 1.875

Material:

Rubber butadiene nitrile sealing element a

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A032a0
