End Application:

Diahragn control valve 8in 150lb class dbyns-3xa with 85 (135 base) actuator, with hand operating device

Product Name:

Packing flange

Material:

Steel

Material Specification:

Aisi or astm a-108 gr 1144 cf assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
