**End Application:**

Diahragn control valve 8in 150lb class dbyns-3xa with 85 (135 base) actuator, with hand operating device

**Product Name:**

Packing flange

**Material:**

Steel

**Material Specification:**

Aisi or astm a-108 gr 1144 cf assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A032a0
