End Application:

Uh-1y

Criticality Code Justification:

Agav

Special Features:

Height of item is 6.580 in (nom); assembly includes -117 and -118

Material:

Stainless steel

Material Specification:

Sae ams 5510r assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A08400
