End Application:

E-3 aircraft

Product Name:

Seal, pressure molded rubber

Special Features:

Item is cone shaped with 1.66 in. od tapered .64 in. To 1.46 in od solid: two 0.37 diameter cut through holes

Material:

Rubber

Material Specification:

Bms1-11, type ii, grade 60 mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
