End Application:

Gdoor, hanger, vert fldg

Construction:

Solid

Right Tip Relationship With Left Tip:

Identical

Product Name:

Seal, fire, bottom

Special Features:

For seal, specific silicone rubber is type h-595; for core, the specific silicone sponge is type h-r76; and the fabric cover is 3-ply fibreglass; length is 11000.0mm, height is 41.0mm, and thickness is 2.54mm; od is 19.1mm; dia of core is 16.6mm; compressive force is 50 lbs per 300mm when compressed 6.4mm

Material:

Silicone packing

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
