End Application:

Refrigeration system ac air conditioner, with 200 ton capacity

Product Name:

Solenoid valve flange gasket

Special Features:

Port size for the solenoid valve for which this flange gasket attaches is 1.250 in; the material name is garlock (style 2930, or equal)

Material:

Rubber neoprene binding

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
