Cross Sectional Shape:

Emi hollow d

Overall Width:

0.563 inches

Cross-sectional Height:

0.188 inches

Center Hole Diameter:

0.078 inches

Hardness Rating:

70.0 rockwell a external

Product Name:

Gasket, emi lower

Color:

Blue

Material:

Rubber fluorosilicone class fq external

Material Specification:

Mil-dtl-83528 (1a) military specification single material response external

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0

Mil-std (military Standard):

Mil-dtl-83528c spec.
