Seal Width:

0.230 inches

End Application:

NSN:-23-500-1513

Product Name:

Disc, seal

Special Features:

tool tip radius = .005

Material:

Plastic acetal

Material Specification:

Astm d4181+0-211 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
