Fabrication Method:

Solid

End Application:

Style 77 coupling

Special Features:

34 to 110 degrees c temp range; for hot water service withing temp range; 1.250 inch; c-shaped

Color:

Green

Material:

Rubber ethylene-propylene-diene class epdm

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
