

View Online at <https://aerobasegroup.com/nsn/5330-01-537-4805>

End Application:

9620-60-230-1041

Special Features:

Thickness - .025 weight - .040

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250-13 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
