End Application:

2320-01-530-3843; truck, cargo

Product Name:

Gasket, silicone

Special Features:

Source control drawing; gasket inner surface coated with mica powder; material: silicone rubber

Color:

Gray

Material:

Rubber

Material Specification:

D1a a-a 59588a, class 3b, grade 50 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
