End Application:

C-17a aircraft

Product Name:

Gasket, mounting fitting-fuselage

Special Features:

Material is sheet silicone elastomer per boeing dms 2221 type 1 grade 50; elliptical shape; 5.60 major outside diameter ellipse; 4.10 minor outside diameter ellipse; 2.00 minor inside diameter ellipse; 0.100 thickness; 6 holes 0.306-0.318 diameter

Material:

Rubber synthetic sealing element

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
