End Application:

33.446 inch type er seal, lmd-1 class

Construction:

Split

Product Name:

Seat

Material:

Iron

Material Specification:

Astm a439 ty d-2 austenitic ductile iron assn standard single material response

Fsc Application Data:

Seat assembly (split) h70657-2

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
