End Application:

End item nsn: 3990-01-444-6174 bitum distributor; engineering mission module (emm) used on the palletized loading system

Construction:

Solid

Product Name:

Retainer, gasket, 6 inch disc valve

Special Features:

diameter 5.250 inches; center hole 2.625 inches from outer edge

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
