**Cross Sectional Shape:**

Concave bottom straight face

**Outside Diameter:**

1.446 inches

**Ring Style:**

Expanding concentric

**End Application:**

Actuator assembly, np2000 propeller system 1610-01-513-1214, special electronic aircraft e-2c

**Special Features:**

Expanding concentric metal ring, 0.060" thickness, 0.129" width, with 32 micron finish outside edge

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A08400
