**End Application:**

C-17a aircraft

**Product Name:**

Seal assembly

**Special Features:**

Stock size is 7 x 30; material is molded silicone elastomer core per dms2221 type 1, class 4; fabric, glass b-stage polyester resin impregnated ply per mil-r-7575 form b, class 2 grade b resin, class 1 cloth

**Material:**

Rubber synthetic sealing element

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A032a0
