End Application:

Wash disinfector model s-606

Product Name:

Radial sealing, viton

Special Features:

SERI-AL-NO.-9700

Material:

Rubber fluorocarbon class fpm

Reference Data And Literature:

Reservdelar/spare parts issue 990428, 4998815-00, page 33

Fsc Application Data:

Mcs screw

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
