End Application:

4810-01-545-4810 actuator; new construction lcs1

Component Quantity:

10

Component Document Origin:

Industrial

Document Source:

57661

Document Type:

Mfr catalog

Supply Items And Quantities:

O-ring (lower pinion), 1; o-ring (upper pinion), 1; thrust bearing (pinion), 1; o-ring (piston), 2; bearing (piston), 2; o-ring (adjustment screw), 2; o-ring (end cap), 2

End Item Source:

57661

Document Identification:

Parts list

End Item Name:

Actuator, electro-pneumatic

Product Name:

Repair kit; inavy: kit, repair

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:
