**End Application:**

.50ips 150psi sbu brs

**Product Name:**

Gasket, drain plug

**Special Features:**

Self lubricating fluoropolymer, temp range of -400 to +500f

**Material:**

Plastic polytetrafluoroethylene

**Material Specification:**

Rulon mfr ref single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A032a0
