End Application:

2320-01-531-5250

Product Name:

Gasket, fc rear half (oil)

Special Features:

Duromete charge pts max: -20; change in tensile at break, %max: -30; change in elongation at break, %max:

General Description:

Plumley compound 12-1429

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
