Overall Height:

6.500 inches

Aperture Diameter:

1.250 inches

End Application:

Valve assembly

Construction:

One-piece

Material:

Stainless steel

Material Specification:

Astm a351, gr cf8m assn standard single material response

Style Designator:

Flanged

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
