Cross Sectional Shape:

Hollow bulb

Cross-sectional Height:

0.500 inches

Cross-sectional Width:

1.250 inches

End Application:

Misc. Parts

Product Name:

Pneuma-seal p strip

Material:

Rubber chloroprene class cr

Material Specification:

Astm d1418-cr assn standard single material response

Reference Data And Literature:

Pneuma-seal catalog page 22

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A032a0
