End Application:

2320-01-517-4333 and mrap

Construction:

Two-piece

Product Name:

Seal ring, front header

Special Features:

Material ems d15-5010a type iv, note: .005 thick x .005 extension flash allowed at parting line locations

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
