**End Application:**

2320-01-517-4333 and mrap

**Construction:**

Two-piece

**Product Name:**

Seal ring, front header

**Special Features:**

Material ems d15-5010a type iv, note: .005 thick x .005 extension flash allowed at parting line locations

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A032a0
