Overall Length:

8.250 inches

Overall Width:

8.000 inches

Center To Center Distance Between Bolt Holes Along Width:

4.000 inches

Center To Center Distance Between Bolt Holes Along Length:

5.500 inches

Bolt Hole Quantity:

8

End Application:

Model ep-90 electric piston horn

Bolt Hole Diameter:

0.656 inches

Product Name:

Base gasket

Special Features:

Material: armstrong thermo-tork; specification 1/16 tn9000

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
